New Investment List!

7,654 Actives \$170/M

The **Small Cap Investor** postal list reaches active stock investors who have a specific interest in the firms with small market capitalization. They are all active investors with self directed portfolios who are looking for big returns with small cap stocks.

Small Cap Investor was launched with the goal of becoming the destination Web site for individual investors who are seeking reliable and wide-ranging information on the small cap market in general, as well as insight into specific industry sectors and individual companies.

While the site (<http://www.smallcapinvestor.com>) does provide access to research and general financial information, it is the primary intention of **Small Cap Investor** to help investors identify companies for consideration in their portfolios, or to help define those that should be avoided.

The **Small Cap Investor Postal List** reaches actives stock investors who are looking for the hidden gems in the universe of small caps stocks that will give them big returns. They are receptive to a wide range of investment type offers.
